HISTORIC AMERICAN BUILDINGS SURVEY

JAMES R. ESTILL HOUSE

HABS No. MO-1446

Location: Estill ~~Station~~ vicinity, Howard County, Missouri

HISTORICAL AND ARCHITECTURAL INFORMATION

The following information was recorded by Alexander Piaget and Charles van Ravenswaay at the time the photograph was taken:

Built ca. 1845. Estill bought farm in 1845, probably built house soon after. In the portico and front entranceway, the fluted columns are of solid walnut logs. The lights in the entranceway are modern, but the glass panels in the door frame are original and are of red glass cut through to the clear glass in floral designs.

PROJECT INFORMATION

The Piaget-van Ravenswaay Survey consists of a number of photographs, primarily of sites and structures in Missouri, which were taken before 1938 by Alexander Piaget and after that by Paul Piaget, both in conjunction with Charles van Ravenswaay. Photographs of buildings were incorporated into the HABS collection in 1985 by Laura Rupp and in 1986 by Deborah Fulton, HABS historians. A master list is available in the [REDACTED] records for MO-1800.
